

ONE ISLAND, ONE TEAM, ONE DREAM, TO BE DRUG FREE

# To provide a drug-free school and community

## Why the team was formed

To address the escalating drug use in the High School and pressing need for community awareness and involvement. The abuse of Pharmaceuticals (prescription & OTC drugs) is of particular concern, but all drug and alcohol use is being addressed, including caffeine products.

## Who is represented on this team

We have representation from the Schools including the School Superintendent, the YWCA, clergy, health care providers, counselors, law enforcement, Town Justice, Town Board, the Community Enrichment Council, GIFTS (Grand Island Families, Town, and Schools), Youth Board, and concerned parents.

## What the mission of this team is

Our mission is to provide a drug and alcohol free school and community for the youth of Grand Island.

## What activities are being targeted to be done

Through a 3-pronged approach (judicial system, school system, & community-parent) we plan to: do in school interactive presentations (verbal and video combination); gather information to explore motivations for why kids use different drugs; develop systems of communication between parent-young person, parent-parent, young person-school, young person-young person; and raise awareness in the community.

## How to become involved

- Just show up at our next meeting!  
Email: [danstinson@roadrunner.com](mailto:danstinson@roadrunner.com) or go to  
[www.gi-cec.com](http://www.gi-cec.com)

Next meeting:

August 12<sup>th</sup>, 2008  
@ 4pm

Location:

Town Hall  
2255 Baseline Rd.  
First Floor  
Conference Room
