**The New York State Thruway
Authority's \$55 million North
Grand Island Bridges
Rehabilitation Project starts in
March 2015**

Beginning March 15, 2015, weather permitting, the deck of the Southbound, North Grand Island Bridge will be replaced as part of the North Grand Island Bridge rehabilitation project. Delays are expected during construction.

The Southbound North Grand Island Bridge will be closed nightly, Sunday through Thursday as follows (except holidays):

**Sunday, March 15 – Wednesday, May 20
from 8 p.m. to 6 a.m.**

**Tuesday, May 26 – Wednesday, September 2
from 9 p.m. to 6 a.m.**

**Tuesday, September 8 – Friday, October 30
from 8 p.m. to 6 a.m.**

**Dates and times are subject to change,
depending on weather and construction
activities.**

**Southbound traffic will be detoured onto
the adjacent Northbound Bridge. Two-way
traffic will be maintained on the
Northbound Bridge with traffic reduced to
a single lane in each direction.**

During the overnight closure of the Southbound Bridge, two Southbound Entrance Ramps, from Buffalo Avenue and the Robert Moses Parkway will also be closed. A detour to Niagara Falls Blvd. will be posted.

This project will be conducted in accordance with the requirements of Governor Cuomo's Drivers First Initiative, which prioritizes the convenience of motorists and ensures that disruptions are as minimal as possible for drivers at highway and bridge projects across the state.

Sign up for TRANSalerts on the Thruway Authority's website at www.thruway.ny.gov to receive information about unscheduled incidents.

Visit www.thruway.ny.gov/webcams to view traffic cameras at:

I-190 at Interchange 20A (W. River Pkwy)

I-190 at Niagara Toll Barrier

I-190 at Interchange 21 (Buffalo Ave)

Tune into the Highway Advisory Radio (HAR) at 1630 AM.

Call 1-800-THRUWAY for Thruway Road Conditions.

Visit www.nittec.org and www.511.ny.org for regional traveler information and advisories.

All motorists are reminded to proceed with caution in the construction zone.

- The construction zone speed limit is 35 mph.
- Fines are doubled for speeding in construction areas.
- Over-width vehicle restrictions apply.
- Motorists should allow extra time to travel through the construction zones.
- Motorists should be alert for new traffic patterns.
- Motorists are advised to watch for oncoming traffic. Passing is not allowed in the construction zones.
