

ONE ISLAND, ONE TEAM, ONE DREAM, TO BE DRUG FREE

A TROUBLING TREND: WHY TEENS TURN TO PRESCRIPTION DRUGS

- *To escape or self-medicate**
- *It's perceived as being safe**
- *Lack of self-esteem**
- *It's easier to hide**
- *Thrill seeking**
- *Thought that parents may be less likely to be angry**
- *It's perceived as being cool and there's less of a stigma**
- *Prescription drugs are easy to find (and free)**
